

IN LOVING MEMORY OF

FAY MARGARET
Baxter

To Those I Love

*Now I've come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?*

*Miss me a little, but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me, but let me go.*

*For this is a journey we all must take
And each must go alone.
It's all a part of the master plan
A step on the road to home.*

*So when you are lonely of heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me, but let me go.*

My wish for the future is The World pulls together to prevent the Ozone Layer and green house effect from becoming a bigger problem.
More love in our hearts and our actions for one another. Then the world will be the happy home God planned it to be for us all.

Fay's family wish to thank you
for your well wishes & condolences.

You all meant a lot to Fay.
